

## **Preamble for Knox County Community Emergency Service Net**

This is (Call, Name, Town) calling the Knox County Community Emergency Service Net.

This net meets at the top of each hour during significant storms or other events that may pose a hazard to Knox County residents. We share information about conditions and facilitate the movement of emergency communications.

Is there anyone holding emergency, priority or welfare traffic? Please come now.

(Handle traffic, if any)

Now calling for general check ins. Please state your call, name and location.

(Ask for reports from each participant.)

Do I have someone to take the net at (next hour)?

I am now closing the net. Thanks to everyone who participated. More information on the Knox County Community Emergency Communications Service may be found on the web at [Ballyhac.com](http://Ballyhac.com)

This is (Call), 73, Clear.
